

# GENERAL ASSEMBLY 2023

## Athens 26-27 June 2023

### EULiST towards linking Society and Technology

Open session | Monday June 26<sup>th</sup> 2023 @ 16.30-19.00 EEST  
Ceremonial Hall, Central Administration Building  
NTUA Zografou Campus | livestreaming

European Universities are transnational Alliances that intend to develop into universities of the future, boosting the quality of higher education and strengthening its link to the research and innovation landscape in Europe and its outreach towards the society and economy. EULiST is a European University Alliance empowering responsible change agents to solve the challenges humanity is facing, including climate change and the twin green and digital transition, contributing to societal and technological developments.

Within the framework of the EULiST General Assembly, in this open session, EULiST strategy will be presented combined with presentations of case studies at the National Technical University of Athens.
