

Widening the Horizon with STU – Partnership Opportunities in the Heart of Europe

Programme:

| | |
|---------------|---|
| 12:30 – 12:35 | Welcome and official opening of the event |
| 12:35 – 12:45 | Opening speech by a representative of the Permanent Representation of the Slovak Republic to the EU |
| 12:45 – 13:10 | Opening speeches by STU BA representatives <i>Oliver Moravčík, Rector</i> <i>Maximilián Strémy, Vice-rector for Strategic Projects, Development, Innovation and Praxis</i> |
| 13:10 – 13:30 | 1. Thematic session – Slovak semiconductor centre <i>Martin Donoval, Faculty of Electrical Engineering and Information Technology</i> |
| 13:30 – 14:00 | 2. Thematic session – Smart City as a Concept for Integrated Spatial Development, Advanced materials for building industry and Co-created Resilience: Design-driven Technology Transfer <i>Milan Husár, Institute of Management</i> <i>Karol Gorner, Faculty of Architecture and Design</i> <i>Katarína Gajdošová, Faculty of Civil Engineering</i> |
| 14:00 – 14:30 | Coffee break |
| 14:30 – 15:00 | 3. Thematic session – Intelligent mobility, autonomous and connected vehicles <i>Marek Galinski, Faculty of Informatics and Information Technologies</i> <i>Martin Baťa / Miroslav Mikolášek, Faculty of Electrical Engineering and Information Technology</i> <i>Luboš Magdolen, Faculty of Mechanical Engineering</i> |
| 15:00 – 15:30 | 4. Thematic session – Multicomponent catalysts for electrolytic production of Hydrogen and Recombinant protein production and application: from gene to functional protein Green technologies for chemical, pharmaceutical and food industry <i>Matilda Zemanová, Martin Rebroš, Milan Polakovič, Faculty of Chemical and Food Technology</i> |
| 15:30 – 16:00 | 5. Thematic session – Advanced materials and modern processing technologies <i>Ladislav Morovič, Pavol Noga, Faculty of Materials Science and Technology</i> |
| 16:00 – 16:10 | Closing remarks |
| 16:30 – 18:00 | Networking reception |
