

The EULiST Student conference will take place at the Technical University of Vienna (TU Wien), [Campus Karlsplatz](#).

About TU Wien

[Technische Universität Wien](#) (TU Wien) is one of Europe's top universities, renowned for innovation in technology and engineering. It offers a collaborative learning environment and is Austria's largest tech and natural sciences institution. Over 4,000 scientists conduct research in five main areas across eight faculties, benefiting 26,000 students in 62 programs. TU Wien's dual focus on basic and application-oriented research drives innovation and societal prosperity.

Teaching emphasizes both principles and knowledge acquisition, involving students in research projects. TU Wien prioritizes equal opportunity, especially supporting women in tech fields. Research spans five key areas: Computational Science, Quantum Physics, Materials, ICT, and Energy & Environment.

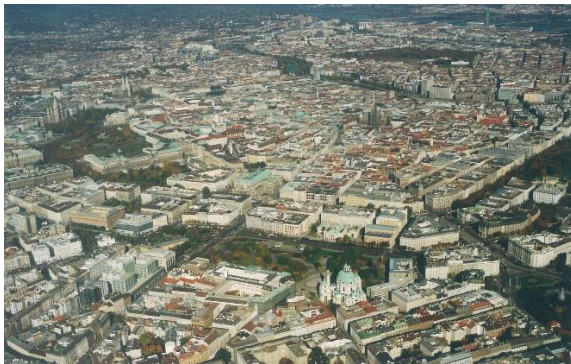

As an open academic institution, TU Wien fosters discussion, tolerance and diverse viewpoints among staff, management and students.

City of Vienna

Vienna, the capital of Austria, is renowned for its cultural heritage, vibrant arts scene, and historical landmarks. It offers a unique blend of tradition and modernity, making it an ideal location for the conference.
