EULiST Structure

The Project

The Alliance

- WP Leads and CO-leads - PSC
- TG Leads and CO-leads
- TG Members

- Project Manager
- Central Coordinator

- PR
- Erasmus Task Force

- Local Project Manager
- Local Coordinators

- Finance Team

- Management Board
- Governing Board
- Student Board
- General Assembly

- Advisory Council
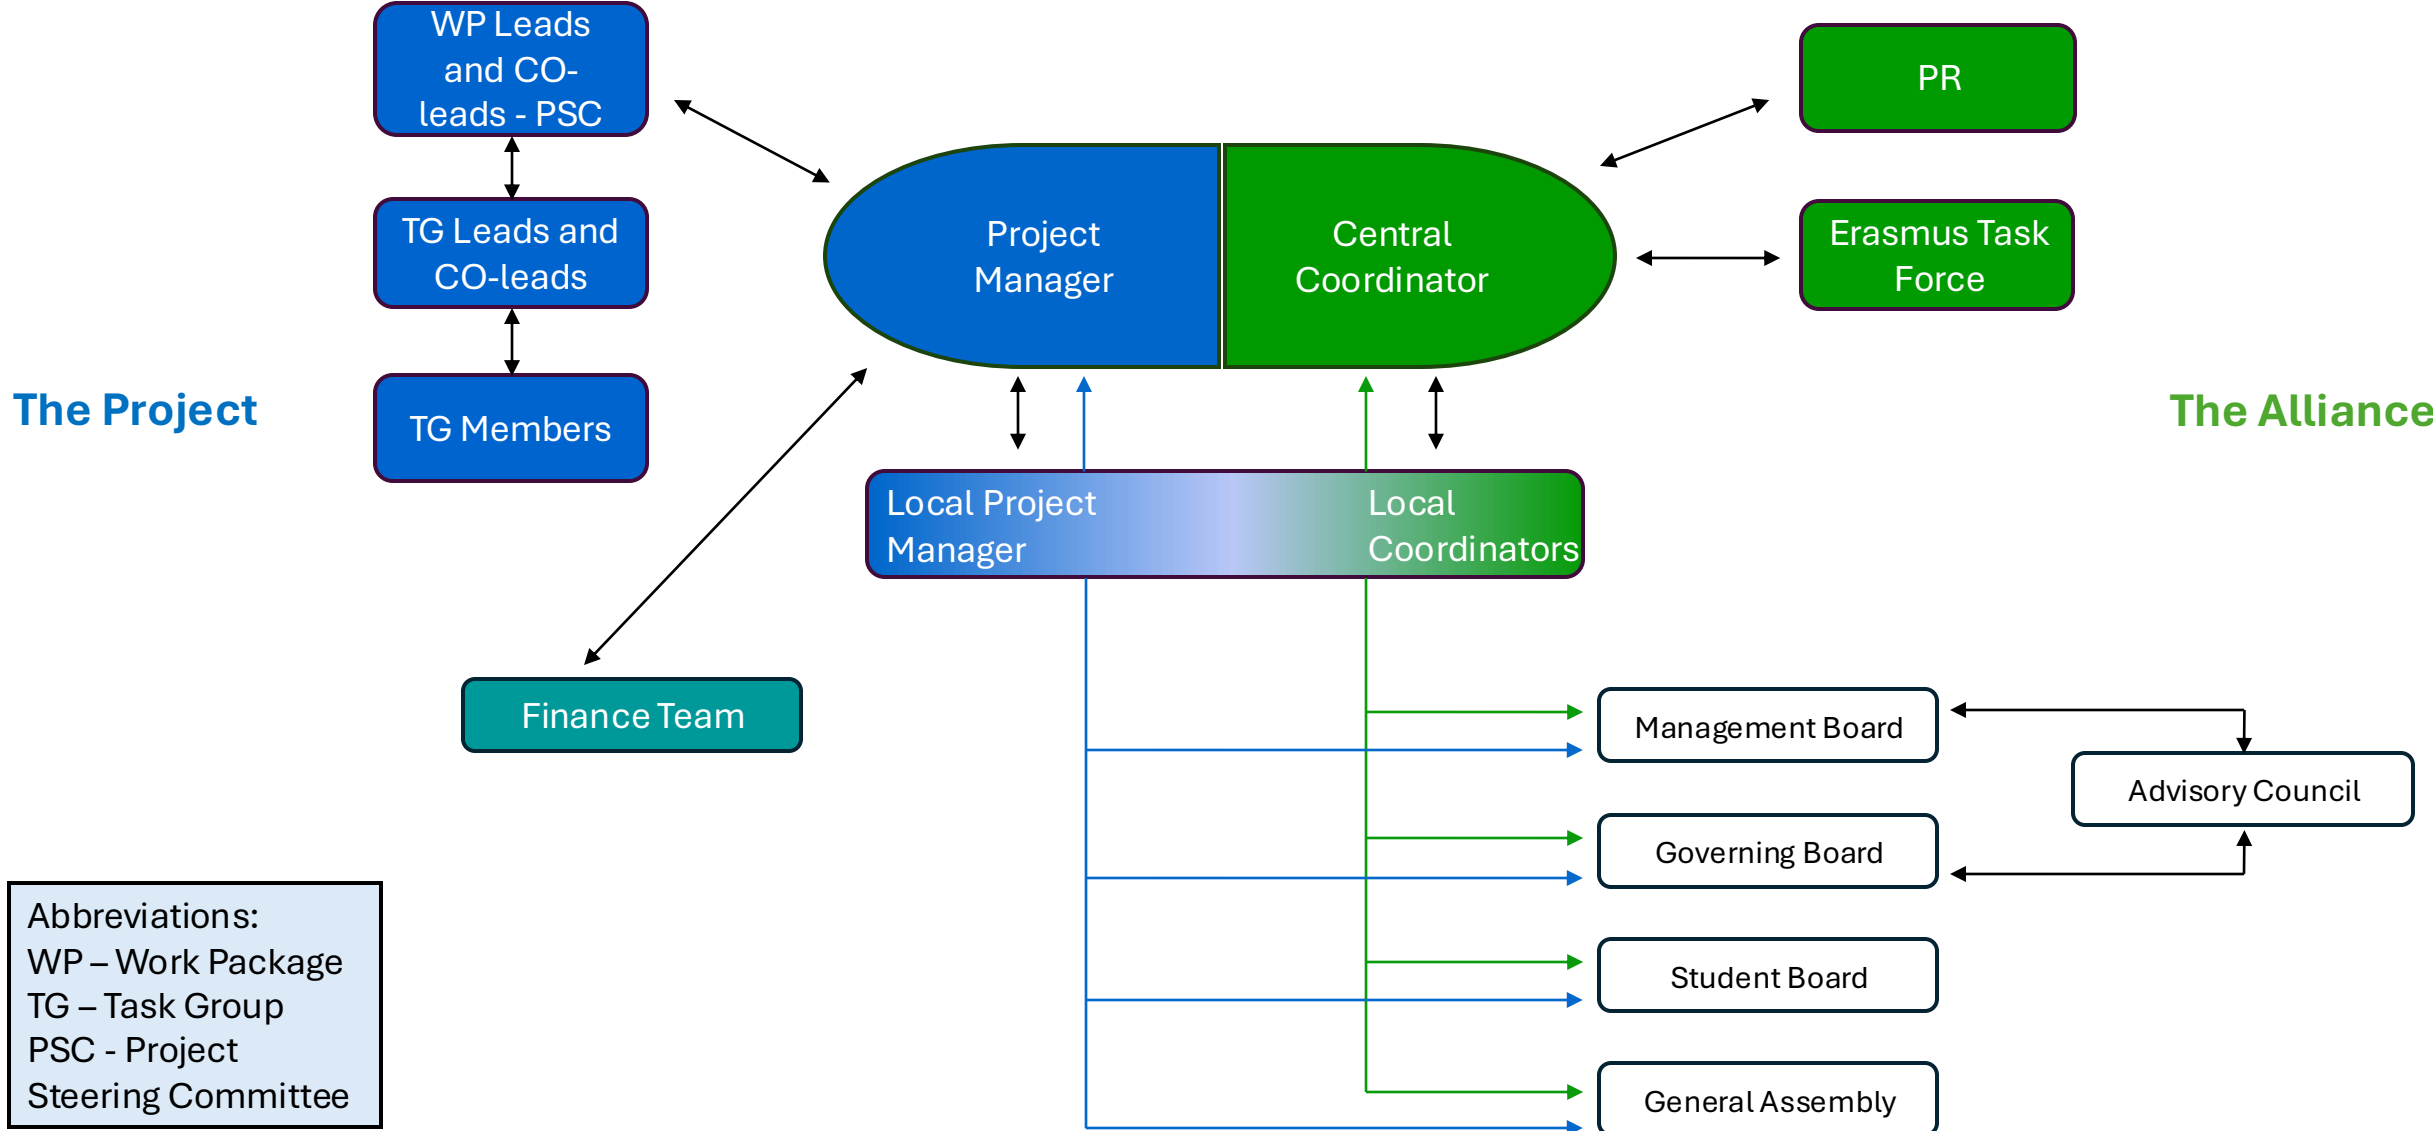

Abbreviations:
WP – Work Package
TG – Task Group
PSC - Project Steering Committee

Advantages for students

- **Innovative teaching and learning methods**
  - Blended Intensive Programs
  - Challenge based and research-oriented-learning
- **Flexibility and mobility**
  - Semester abroad
  - Stays for study and research purposes
  - Double Degrees and Cotutelles
  - Language tandems
- **Practical training**
  - through close cooperation with industrial associate partners
- **Participation in the Student Board**

Source

Advantages for teachers and researchers

- **Access to resources**
  - EULiST provides access to shared data resources, infrastructures and services e.g., library, learning platforms
- **Knowledge exchange**
  - EULiST provides a platform for the exchange of knowledge, experience and best practices in the field of teaching, research and innovation
  - Double Degrees and Cotutelles
- **Joint publications, papers, presentations and projects**
- **Visibility and reputation**
  - by working with renowned partner universities, new perspectives and potential can be tapped

Advantages for employees in technology and administration

- **Access to resources**
  - EULiST provides access to shared resources, infrastructures and services e.g., library and digital working platforms
- **Professionalisation**
  - EULiST promotes the professionalisation of administrative staff by providing access to training, workshops and other training opportunities
- **Innovation and best practices**
  - EULiST encourages the exchange of best practices and innovative ideas in the field of higher education
